

Level 2 Finance / Accounts Assistant

Apprenticeship overview

An accounts or finance assistant is responsible for assisting the accounting team with junior accounting duties. These can vary depending on the team structure and size of the business, but the role is integral for maintaining an efficient and accurate finance function within the business.

Accounts or finance assistants can work in almost any sector. Potential employers could include corporate businesses, sole traders, partnerships, public sector, not-for-profit organisations, and educational institutions.

The role could involve basic bookkeeping activities, working with sales and purchase ledgers, running calculations to ensure that records and payments are correct, recording of cash and data entry.

Level 2 Finance / Accounts Assistant

How you will learn

As an accounts or finance apprentice, you will attend PETA's training centre one day per week.

While at our training centre, you will cover a range of different units that will help to develop your knowledge and understanding of finance and accounting theory and give you the chance to meet other finance apprentices.

These units will include understanding your organisation, customer focus, personal development, principles of bookkeeping controls, professionalism, communication and principles of costing.

You will study for an AAT level two qualification as part of your apprenticeship. This will involve sitting multiple exams during the course of your apprenticeship.

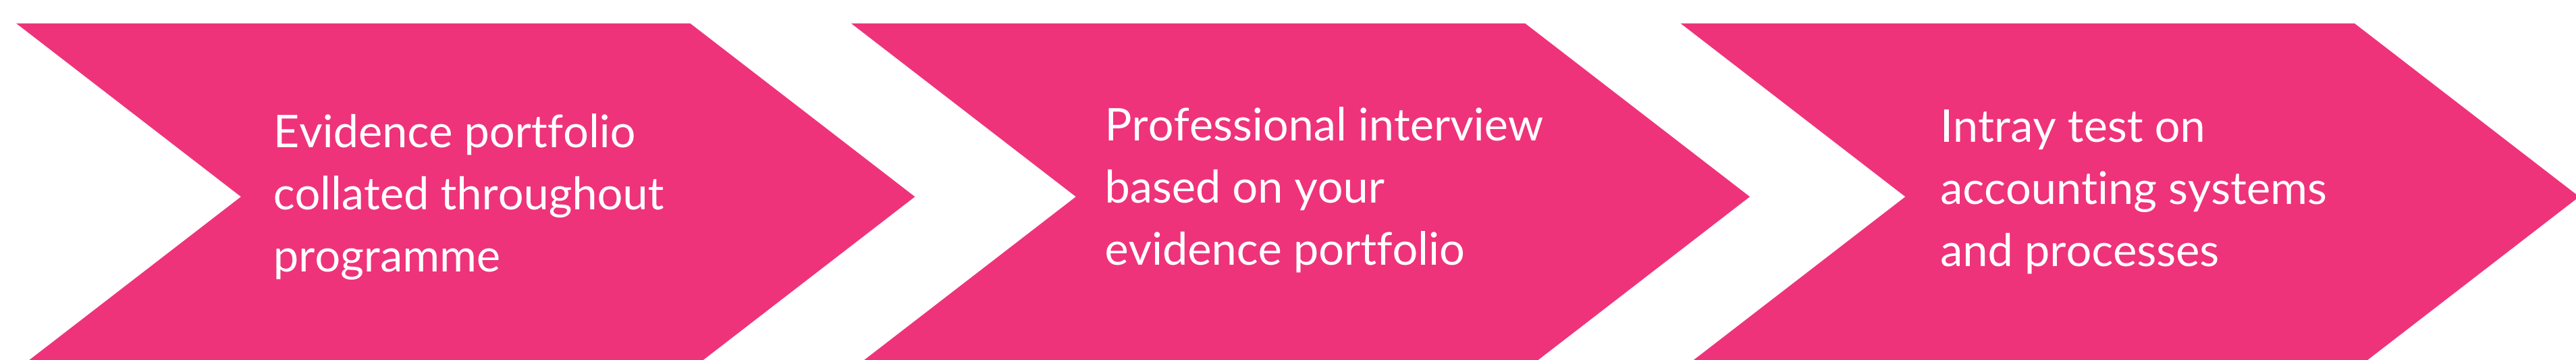

Throughout your apprenticeship, you will be supported by a learning and development coach who will visit you every 6-8 weeks in your workplace. They will work closely with you and your employer to set learning objectives, undertake practical observations and provide you with feedback on your apprenticeship progress.

Alongside the training delivered by PETA, your employer will be providing you with a rigorous training schedule to support you in the workplace.

How you will be assessed

Throughout your apprenticeship you will be working towards your end point assessment (EPA). Your end point assessment will then be conducted by an external examining body and will be made up of three key elements:

These three key elements have been designed to enable you to demonstrate the key knowledge, skills and behaviours you have developed during your training. The possible outcomes of your EPA are Pass or Distinction.

Progression routes

The accounts / finance apprenticeship may be a gateway to further career opportunities. It provides the perfect stepping stone to progress on to the Level 3 Assistant Accountant apprenticeship programme.
